03-0300-01-17

On Monday, May 15, 2017, at approximately 6:35 a.m., GBI Special Agent JUSTIN LOWTHORPE was located at the Stewart Detention Center, 146 CCA Road, Lumpkin, Stewart County, Georgia. While at that location, SA LOWTHORPE contacted FREDDY WIMS. WIMS was identified as a Stewart County Detention Center Detention Officer. SA LOWTHORPE contacted WIMS regarding any information WIMS could provide in this investigation.

Prior to the interview, SA LOWTHORPE read the following statement to WIMS:

This investigation is to determine whether any criminal laws have been violated that resulted in the death of JEAN CARLOS JIMENEZ-JOSEPH. It is not an administrative or disciplinary inquiry. You are not being compelled to make any statement or answer any questions. Your cooperation in this investigation is completely voluntary.

WIMS understood the statement and wished to continue with the interview. WIMS stated essentially the following:

WIMS' schedule was Sunday, May 14, 2017, at approximately 10:00 p.m., to Monday, May 15, 2017, at approximately 6:00 a.m. WIMS was assigned to Segregation Unit 7A for that shift.

On Sunday, May 14, 2017, at approximately 10:08 p.m., WIMS conducted WIMS initial round count. The round count was identified as a check of all person(s) in a

03-0300-01-17

specific unit. Each round count was documented with time and the Detention Officer's initials. WIMS advised in Segregation Unit 7A, WIMS was to conduct a round count every (30) minutes. There were (4) inmates that were on a round count every (15) minutes. During that initial round count, WIMS recalled checking on Cell 102. JEAN CARLOS JIMENEZ-JOSEPH was identified as the inmate in Cell 102. When WIMS checked on Cell 102, JIMENEZ-JOSEPH showed WIMS a drawing of JIMENEZ-JOSEPH. JIMENEZ-JOSEPH drew a lot of self-portraits.

On Monday, May 15, 2017, at approximately 12:45 a.m. WIMS looked in the window of Cell 102 for a round count. WIMS did not see JIMENEZ-JOSEPH on the bed or on the floor. WIMS observed JIMENEZ-JOSEPH's head slumped over on the other side of the commode, with a "noose" tied around JIMENEZ-JOSEPH's neck. The "noose" was identified as a white bed sheet. The other end of the "noose" was tied around the sprinkler head. WIMS advised all staff of the "Medical Emergency" via radio. WIMS obtained a "cut-down tool" from the main control area. The "cut-down tool" was identified as a hook shaped knife.

When WIMS returned to Cell 102, Detention Officer FRANKLIN SIMMONS was standing at the cell door. SIMMONS did not have a key to that cell. WIMS unlocked and opened the cell door. SIMMONS and WIMS entered the cell. WIMS called JIMENEZ-JOSEPH's name but no answer. SIMMONS lifted JIMENEZ-JOSEPH's body and WIMS used the "cut-down tool" to cut the sheet. WIMS and SIMMONS laid JIMENEZ-JOSEPH's body on the cell floor. It appeared JIMENEZ-JOSEPH did not have a pulse. WIMS and SIMMONS began CPR on JIMENEZ-JOSEPH. The Emergency Response Team and Medical Staff arrived. The medical staff took over attempting to revive JIMENEZ-JOSEPH.

03-0300-01-17

Approximately (10) minutes, Stewart County EMT's arrived and took over attempting to revive JIMENEZ-JOSEPH. EMT's then transported JIMENEZ-JOSEPH to the hospital.

On date of incident, at approximately 12:13 a.m., Lieutenant GERALD RICHARDSON did a round count in Segregation Unit 7A and checked on Cell 102. WIMS could not recall an exact time but believed that WIMS last checked on Cell 102 approximately (1) hour prior to RICHARDSON's round count. WIMS could not recall exactly how many times throughout the shift that WIMS actually checked on Cell 102. Each time WIMS checked on Cell 102, JIMENEZ-JOSEPH was either lying or sitting on the bed. WIMS recalled checking on Cell 102 approximately (3) total times. The approximate (3) times were described as: The 1st round count was the initial check upon WIMS starting the shift, the 2nd round count was at an unknown time during the shift, and the 3rd round count was when WIMS observed JIMENEZ-JOSEPH's body hanging from the sheet. WIMS was extremely busy with the normal job duties. The other Detention Officer assigned to Segregation Unit 7A was assigned to "1 on 1" suicide watch. The duties included the round counts upstairs, the round counts downstairs, paperwork, and taking inmates to the shower area.

WIMS had not had any issues with JIMENEZ-JOSEPH in the past at the Stewart Detention Center. WIMS was unaware if any staff had any issues with JIMENEZ-JOSEPH at the Stewart Detention Center. WIMS was the only Detention Officer at that time that had keys to unlock the Segregation Unit 7A cell doors.

It was noted, after the conclusion of the interview, SA LOWTHORPE contacted WIMS via telephone. SA LOWTHORPE contacted WIMS regarding the clothing that

03-0300-01-17

JIMENEZ-JOSEPH was wearing at the time of the incident. WIMS recalled JIMENEZ-JOSEPH wearing red detention center-issued pants, but could not recall if JIMENEZ-JOSEPH was wearing a shirt or if JIMENEZ-JOSEPH was shirtless.

On Monday, May 15, 2017, at approximately 8:00 a.m., GBI Special Agent JAMES GIBSON was located at 146 CCA Road in Lumpkin, Stewart County, GA. That location was identified as the Stewart Detention Center. Agent GIBSON was at that location for the purpose of conducting an interview with KIMBERLY CALVERY. CALVERY was identified as a Mental Health Counselor at the Stewart Detention Center. Prior to beginning the interview, Agent GIBSON read CALVERY the following statement:

This investigation is to determine whether any criminal laws have been violated during the incident. It is not an administrative or disciplinary inquiry. You are not being compelled to give any statement or answer any questions. Your cooperation in this investigation is voluntary.

CALVERY understood the statement Agent GIBSON read to CALVERY and agreed that no one had compelled CALVERY to participate in the interview. CALVERY wanted to continue with the interview. CALVERY stated essentially the following:

CALVERY knew the victim in this case, JEAN CARLOS JIMENEZ-JOSEPH, because of JIMENEZ-JOSEPH's mental health treatments. JIMENEZ-JOSEPH was being treated for a mood condition and was on prescription medication. When JIMENEZ-JOSEPH entered the Stewart Detention Center and was screened, JIMENEZ-JOSEPH said JIMENEZ-JOSEPH had a suicidal past. JIMENEZ-JOSEPH never showed any suicidal tendencies at the Stewart Detention Center.

03-0300-01-17

CALVERY saw JIMENEZ-JOSEPH for the last time on May 10, 2017.
JIMENEZ-JOSEPH was normal and had no suicidal thoughts. JIMENEZ-JOSEPH showed CALVERY drawings JIMENEZ-JOSEPH had been working on.
JIMENEZ-JOSEPH wanted JIMENEZ-JOSEPH's medication dosage increased.

On Monday, May 15, 2017, at approximately 8:06 a.m., GBI Special Agent JUSTIN LOWTHORPE was located at the Stewart Detention Center, 146 CCA Road, Lumpkin, Stewart County, Georgia. While at that location, SA LOWTHORPE contacted JAVARIS DANIEL. DANIEL was identified as a Stewart Detention Center Detention Officer. SA LOWTHORPE contacted DANIEL regarding any information DANIEL could provide in this investigation.

Prior to the interview, SA LOWTHORPE read the following statement to DANIEL:

This investigation is to determine whether any criminal laws have been violated that resulted in the death of JEAN CARLOS JIMENEZ-JOSEPH. It is not an administrative or disciplinary inquiry. You are not being compelled to make any statement or answer any questions. Your cooperation in this investigation is completely voluntary.

DANIEL understood the statement and wished to continue with the interview. DANIEL stated essentially the following:

DANIEL's schedule was Sunday, May 14, 2017, at approximately 10:00 p.m., to Monday, May 15, 2017, at approximately 6:00 a.m. DANIEL was assigned to the Floor detail, which included any special details that arose during the shift.

On Monday, May 15, 2017, at approximately 12:45 a.m., DANIEL was located in the laundry room. DANIEL heard the "Medical Emergency" call via radio. The "Medical

Emergency” call was regarding Segregation Unit 7A.

DANIEL arrived at the same time with Lieutenant GERALD RICHARDSON. Detention Officers FREDDY WIMS and FRANKLIN SIMMONS were the only people on scene at that time. DANIEL did not assist with performing CPR. SIMMONS was performing CPR on JEAN CARLOS JIMENEZ-JOSEPH, until medical staff arrived. Medical staff then performed CPR. Numerous other Detention Officers arrived around that time.

DANIEL’s normal work shift was Segregation Unit 7A. DANIEL was working an extra shift on that date, which is why DANIEL was not working Segregation Unit 7A. DANIEL did not have any issues with JIMENEZ-JOSEPH in the past. DANIEL’s conversations in the past with JIMENEZ-JOSEPH were just “small talk”.

DANIEL rode in the Ambulance with Stewart County EMT’s and JIMENEZ-JOSEPH. DANIEL sat in the front passenger seat while EMT’s attempted to revive JIMENEZ-JOSEPH in the rear of the Ambulance. Detention Officer MICHAEL CHRISTIAN drove a Stewart Detention Center Van to the Phoebe Sumter Hospital. In Trauma Room 15 at Phoebe Sumter Hospital, DANIEL stood by with JIMENEZ-JOSEPH as medical staff continued attempting to revive JIMENEZ-JOSEPH.

At approximately 2:15 a.m., a Phoebe Sumter Hospital doctor pronounced JIMENEZ-JOSEPH deceased. The doctor advised that all efforts to revive JIMENEZ-JOSEPH were unsuccessful. DANIEL and CHRISTIAN advised Captain LYNN MARTIN that JIMENEZ-JOSEPH was deceased. Stewart County Coroner SYBIL AMMONS responded to Phoebe Sumter Hospital. DANIEL and CHRISTIAN

BRADFORD had prior knowledge that the incident would need to be recorded due to the Emergency Response Team responding to the "Medical Emergency" call.

Upon arriving in Segregation Unit 7A, Detention Officers JAVARIS DANIEL, FREDDY WIMS, FRANKLIN SIMMONS, and Lieutenant GERALD RICHARDSON were already on scene. Captain LYNN MARTIN arrived shortly after BRADFORD. Inmate JEAN CARLOS JIMENEZ-JOSEPH was on the cell floor. Either WIMS or SIMMONS was advised to take the sheet off of JIMENEZ-JOSEPH's neck. INVESTIGATIVE SUMMARY**

03-0300-01-17

On Monday, May 15, 2017, at approximately 8:30 a.m., GBI Special Agent JAMES GIBSON was located at Unit 7A, Cell, 146 CCA Road, Lumpkin, Stewart County, GA. That location was identified as a prison cell inside the Stewart Detention Center. That was the location where JEAN CARLOS JIMENEZ-JOSEPH was found non-responsive earlier in the morning. When Agent GIBSON arrived at the scene, the cell door was locked and evidence tape was taped in front of it. A sign was on the door that read "DO NOT ENTER". JIMENEZ-JOSEPH had been transported to the hospital and was not at the scene.

Agent GIBSON had been escorted through the prison by Assistant Warden TROY POLLOCK. Agent GIBSON read aloud the GBI Waiver of Constitutional Rights to a Search Warrant to POLLOCK. POLLOCK agreed to the search and signed the waiver. The form was digitally attached to this summary.

The weather outside was of no evidentiary value. The interior of the prison was heated and cooled.

The scene was inside a single occupancy prison cell. The door to the cell was metal with two glass windows. The cell had no other doors or windows. The cell had cement block walls painted white and a concrete floor. The ceiling was smooth and painted white. A metal bed, two metal shelves, a metal vanity/lavatory combination, and a metal mirror were the only furniture items in the cell. All of the furniture was bolted to the walls and/or floor. There was a mattress pad on the bed.

03-0300-01-17

Several items of clothing and bedding were scattered on the bed. Medical debris and a portion of what appeared to be a bed sheet tied in knots were on the floor. Papers and books were stacked up on the shelves. A cup and other items were in the sink. A portion of the bed sheet was tied around a sprinkler head on the wall above the vanity. The portion of sheet was tied tightly around the sprinkler head, behind the trim ring on the wall.

Agent GIBSON photographed the exterior of the door to the cell and the interior of the cell. All photographs were taken with a Nikon D7100 digital camera and were digitally attached to this summary.

The overall measurements of the cell were 13'6" long by 7' wide. The cell door measured 2'10" wide. All directions are based on standing in the doorway viewing forward into the cell. The wall on the left side of the cell measured 13'6" long. The wall opposite of the door measured 7' long. To the left of the door was a short section of wall parallel with the wall on the right. Past the short section of wall, the wall was angled away from the door. The vanity and lavatory combination was on the angled section of wall. The angled section of wall measured 4'3" wide. Above the vanity was a polished metal mirror. Above the mirror and offset to the right was a sprinkler head. The sprinkler head was located 7'3" off of the floor and 12" from the far left wall. A crime scene sketch was digitally attached to this summary.

The portion of bed sheet on the floor had been removed from JIMINEZ's neck by prison staff. The portion of sheet had three individual knots tied in it. There was no loop in the sheet. The sheet measured approximately 3'2" long. The portion of bed sheet was photographed and collected as evidence. The sheet was placed in a paper bag and tagged with GBI Evidence Property Tag # BB18876.

Agent GIBSON was not allowed to bring tools or sharp instruments into the prison. Agent GIBSON was unable to remove the portion of bed sheet tied around the sprinkler head. Assistant Warden POLLOCK called for a maintenance technician to assist Agent GIBSON. DAVID YOUNG responded and attempted to remove the portion of sheet without cutting the knot. The trim ring around the sprinkler head was not able to be removed without disturbing the sprinkler head. YOUNG attempted to cut the trim ring off of the sprinkler head without activating the sprinkler system but was unsuccessful. YOUNG eventually was forced to cut the sheet on the opposite side of the knot to remove it from the sprinkler head.

The sheet measured approximately 2'5" long. The portion of bed sheet was photographed and collected as evidence. The sheet was placed in a paper bag and tagged with GBI Evidence Property Tag # BB18877.

Agent GIBSON searched the cell for any other items of evidentiary value. Agent GIBSON looked through the papers stacked on the shelves in the cell. Several drawings and hand written notes were photographed. Numerous drawings had been made on the cell walls. The walls and the drawings were photographed. No notes, letters, or drawings indicated any intentions to harm anyone.

Agent GIBSON did not identify any other items of evidentiary value at the incident location.

The scene was turned over to Assistant Warden POLLOCK.

Investigative act concluded at approximately 10:00 a.m.

You are not being compelled to make any statement or answer any questions. Your cooperation in this investigation is completely voluntary.

obtain REMBERT's Emergency Response Team equipment from the Central Control Room. REMBERT saw Lieutenant GERALD RICHARDSON running. REMBERT followed RICHARDSON. RICHARDSON ran towards the Segregation Units.

Upon arriving to the incident location, REMBERT saw inmate JEAN CARLOS JIMENEZ-JOSEPH laying on the cell floor with a sheet wrapped around JIMENEZ-JOSEPH's neck. Detention Officer FRANKLIN SIMMONS removed the sheet from JIMENEZ-JOSEPH's neck. A few minutes later, the medical staff arrived and began CPR.

Approximately 10 minutes later, Stewart County EMS arrived and began CPR on JIMENEZ-JOSEPH. EMT's placed JIMENEZ-JOSEPH on a stretcher and took JIMENEZ-JOSEPH to the ambulance.

REMBERT has worked Segregation Unit 7A in the past but did not have much interaction with JIMENEZ-JOSEPH. The times that REMBERT had seen JIMENEZ-JOSEPH in the past, JIMENEZ-JOSEPH would yell statements like "JULIUS CEASAR" and would jump up and down in front of the cell door. Other times, JIMENEZ-JOSEPH would not speak at all.

REMBERT was unaware of any Detention Officers or inmates that had issues with JIMENEZ-JOSEPH in the past. REMBERT did not have any keys for Segregation Unit 7A, due to REMBERT not being assigned to Segregation Unit 7A. The Detention Officer assigned to Segregation Unit 7A would be the only Detention Officer that had a key to Segregation Unit 7A cells.

INVESTIGATIVE SUMMARY**

03-0300-01-17

On Tuesday, May 23, 2017, at approximately 3:42 p.m., GBI Special Agent JUSTIN LOWTHORPE was located at the Marion County Courthouse, Buena Vista, Marion County, Georgia. At that location, SA LOWTHORPE contacted KARINA KELLY, NERINA JOSEPH, CINDY ESCOBAR-CARDENAS, and ANDREW FREE via telephone. KELLY was identified as the sister of JEAN CARLOS JIMENEZ-JOSEPH. NERINA was identified as the mother of JIMENEZ-JOSEPH. ESCOBAR-CARDENAS identified as a translator to assist with the language barrier between SA LOWTHORPE and NERINA. FREE was identified as the family's attorney for JIMENEZ-JOSEPH. JIMENEZ-JOSEPH was identified as the victim regarding this investigation. SA LOWTHORPE contacted KELLY and NERINA regarding any information KELLY and NERINA could provide in this investigation. It was noted, this interview was a conference call between all parties.

KELLY stated essentially the following:

JIMENEZ-JOSEPH had displayed concerning behavior over the past year. JIMENEZ-JOSEPH sometimes acted like JIMENEZ-JOSEPH had multiple personalities. JIMENEZ-JOSEPH had been admitted to the Mental Crisis Unit in Wake County, North Carolina, approximately (2) times prior to JIMENEZ-JOSEPH's incarceration. There was a 3rd time JIMENEZ-JOSEPH went to a Mental Crisis Unit but would not consent to any medical treatment.

KELLY never visited JIMENEZ-JOSEPH while JIMENEZ-JOSEPH was incarcerated at the Stewart Detention Center, in Lumpkin, Stewart County, Georgia. KELLY

03-0300-01-17

talked to JIMENEZ-JOSEPH via telephone everyday.

KELLY tried to help JIMENEZ-JOSEPH get through the tough times JIMENEZ-JOSEPH was going through. JIMENEZ-JOSEPH felt JIMENEZ-JOSEPH would be incarcerated at that facility forever. JIMENEZ-JOSEPH did not want to get arrested because of the TRUMP administration and JIMENEZ-JOSEPH's past arrest record. KELLY and JIMENEZ-JOSEPH talked about making sure JIMENEZ-JOSEPH had an attorney and assisted JIMENEZ-JOSEPH in obtaining an attorney.

On an unknown date, in approximately March 2017, JIMENEZ-JOSEPH was assaulted by an unknown Philippine inmate in the Stewart Detention Center. JIMENEZ-JOSEPH wanted to file a police report regarding the incident but had problems getting the incident report to police.

After the incident, KELLY assisted JIMENEZ-JOSEPH in filing for a U-VISA. KELLY worked for MARTINEZ Immigration Law in Kansas. MEGAN GALICIA worked with KELLY. MEGAN and KELLY faxed documents to Stewart Detention Center for JIMENEZ-JOSEPH to sign but the documents were never received by JIMENEZ-JOSEPH.

JIMENEZ-JOSEPH felt everyone was against JIMENEZ-JOSEPH and that no one wanted to help JIMENEZ-JOSEPH. JIMENEZ-JOSEPH never told KELLY that JIMENEZ-JOSEPH wanted to harm JIMENEZ-JOSEPH before the incident when JIMENEZ-JOSEPH tried to commit suicide by jumping off of a 2nd story floor at the Stewart Detention Center.

03-0300-01-17

The date of the jumping incident, JIMENEZ-JOSEPH called NERINA and told NERINA what happened. After that incident, JIMENEZ-JOSEPH called KELLY.

JIMENEZ-JOSEPH told KELLY that JIMENEZ-JOSEPH was tired of everything.

JIMENEZ-JOSEPH wanted to “end it” and was “sick and tired of being at that place”.

JIMENEZ-JOSEPH told NERINA that JIMENEZ-JOSEPH was the “system’s puppet”.

KELLY and numerous family members got involved in telephone conversations with JIMENEZ-JOSEPH to help JIMENEZ-JOSEPH get through the tough times and discussed life in Panama if JIMENEZ-JOSEPH did get deported. KELLY talked to JIMENEZ-JOSEPH and tried to explain that this horrible situation could turn out great.

On Friday, May 12, 2017, at approximately 3:30 p.m., KELLY contacted JIMENEZ-JOSEPH via telephone. KELLY and JIMENEZ-JOSEPH discussed the U-Visa process. KELLY felt that JIMENEZ-JOSEPH was not acting normal. JIMENEZ-JOSEPH did not seem motivated or optimistic. JIMENEZ-JOSEPH seemed discouraged. JIMENEZ-JOSEPH felt that everyone was against JIMENEZ-JOSEPH. JIMENEZ-JOSEPH stated that JIMENEZ-JOSEPH was unable to pray because of the voices.

During one of the telephone conversations, JIMENEZ-JOSEPH told KELLY that JIMENEZ-JOSEPH attempted suicide in the past. JIMENEZ-JOSEPH was not contemplating suicide at the time JIMENEZ-JOSEPH told KELLY about the past attempts. The attempted suicide talk happened randomly during a conversation. The 1st attempt occurred when JIMENEZ-JOSEPH was a teenager in Kansas, and a rope was involved. The 2nd attempt was on an unknown date in approximately

03-0300-01-17

2010, in Kansas.

Regarding the incident when JIMENEZ-JOSEPH was assaulted in the Stewart Detention Center, JIMENEZ-JOSEPH told KELLY the assault was recorded by the Detention Center's cameras. JIMENEZ-JOSEPH received a busted nose, busted lip, injured testicles, and JIMENEZ-JOSEPH's glasses were broken.

After the fight, JIMENEZ-JOSEPH was placed in solitary confinement. After the staff watched the surveillance footage, JIMENEZ-JOSEPH was returned to general population. JIMENEZ-JOSEPH was placed in solitary confinement a 2nd time after the jumping incident, in which JIMENEZ-JOSEPH tried to end JIMENEZ-JOSEPH's life or at least harm JIMENEZ-JOSEPH.

KELLY called the Stewart Detention Center after the jumping incident to inquire about any medical treatment JIMENEZ-JOSEPH received. KELLY never received an answer from the Stewart Detention Center. The Stewart Detention Center was not giving JIMENEZ-JOSEPH enough medical attention regarding JIMENEZ-JOSEPH's previously reported psychosis.

NERINA stated essentially the following:

JIMENEZ-JOSEPH received medical treatment prior to being incarcerated at the Stewart Detention Center, but NERINA was never given an official diagnosis. Over the past year, JIMENEZ-JOSEPH started making significant changes. JIMENEZ-JOSEPH went to a mental facility in Wake County, North Carolina, during that time.

03-0300-01-17

On an unknown date, in approximately 2016, law enforcement in Wake County, North Carolina, found JIMENEZ-JOSEPH hallucinating in an unknown park.

JIMENEZ-JOSEPH was transported to a mental facility. JIMENEZ-JOSEPH was not given a diagnosis but did receive medication. After JIMENEZ-JOSEPH's release, NERINA was advised that JIMENEZ-JOSEPH may have been under the influence of marijuana.

NERINA's conversations with JIMENEZ-JOSEPH once JIMENEZ-JOSEPH was initially detained at the Stewart Detention Center were confusing. The conversation were confusing because neither NERINA nor JIMENEZ-JOSEPH had answers regarding court, lawyers, and deportation. JIMENEZ-JOSEPH was concerned about being deported back to Panama. At that time, JIMENEZ-JOSEPH called NERINA daily.

After the assault incident, JIMENEZ-JOSEPH stopped calling every day. JIMENEZ-JOSEPH did not call NERINA for (3) days, NERINA realized something was wrong with JIMENEZ-JOSEPH. When JIMENEZ-JOSEPH would call, JIMENEZ-JOSEPH seemed different and irritated.

On an unknown date, JIMENEZ-JOSEPH stated to NERINA that JIMENEZ-JOSEPH was tired of that place and "I tried to kill myself". JIMENEZ-JOSEPH further stated that JIMENEZ-JOSEPH felt like a puppet to the system. JIMENEZ-JOSEPH told NERINA that JIMENEZ-JOSEPH jumped off of the 2nd floor. JIMENEZ-JOSEPH told NERINA that JIMENEZ-JOSEPH yelled all night stating "Get me out of here, I am NAPOLEON, get me out of here". NERINA realized JIMENEZ-JOSEPH was mentally unbalanced.

03-0300-01-17

During (1) of the telephone conversations, JIMENEZ-JOSEPH JIMENEZ-JOSEPH told NERINA that the guards told JIMENEZ-JOSEPH that JIMENEZ-JOSEPH was not crazy. NERINA was unable to hear what the guards were actually saying to JIMENEZ-JOSEPH.

During telephone conversations with JIMENEZ-JOSEPH, NERINA would conference in other family members to help motivate JIMENEZ-JOSEPH. JIMENEZ-JOSEPH would express feelings to family members but never told family members that JIMENEZ-JOSEPH wanted to harm JIMENEZ-JOSEPH.

On Saturday, May 13, 2017, at approximately 11:00 a.m., NERINA attended visitation at the Stewart Detention Center to visit with JIMENEZ-JOSEPH. JIMENEZ-JOSEPH seemed happy because it was a Mother's Day visit. JIMENEZ-JOSEPH expressed JIMENEZ-JOSEPH's feelings and talked about numerous things. JIMENEZ-JOSEPH talked about all the different outcomes and possibilities of things that may happen. NERINA and JIMENEZ-JOSEPH laughed a lot and JIMENEZ-JOSEPH was happy. NERINA was concerned that the staff had not provided JIMENEZ-JOSEPH with stamps for JIMENEZ-JOSEPH to mail medical diagnostic paperwork to the attorney.

JIMENEZ-JOSEPH was unsure what medication that JIMENEZ-JOSEPH was receiving. JIMENEZ-JOSEPH did not discuss suicide or self-harm during visitation. JIMENEZ-JOSEPH advised that JIMENEZ-JOSEPH was not going to call on Sunday, May 14, 2017, but planned to call on Monday, May 15, 2017.

This interview was audio recorded and digitally attached to this summary.

Interview concluded at approximately 5:48 p.m.

FATTALEH was working on the morning of May 15, 2017. FATTALEH was dispatched along with EMT JUSTIN BROWN to the Stewart Detention Center. The call was regarding a possible suicide attempt.

When FATTALEH and BROWN arrived at the prison, FATTALEH and BROWN went to the medical wing but were told to go to the cell block. On Thursday, May 25, 2017, at approximately 12:28 p.m., GBI Special Agent JUSTIN LOWTHORPE was located at the Stewart Detention Center, 146 CCA Road, Lumpkin, Stewart County, Georgia. While at that location, SA LOWTHORPE contacted ABEL BLANCO-RAMIREZ and FRANCES LABOY. BLANCO-RAMIREZ was identified as a witness regarding this investigation. BLANCO-RAMIREZ was further identified as an inmate at the Stewart Detention Center. LABOY was identified as a translator to assist with the language barrier between SA LOWTHORPE and BLANCO-RAMIREZ. SA LOWTHORPE contacted BLANCO-RAMIREZ regarding any information BLANCO-RAMIREZ could provide in this investigation.

Prior to the interview, LABOY read the GBI Waiver of Rights form to BLANCO-RAMIREZ. BLANCO-RAMIREZ acknowledged that BLANCO-RAMIREZ understood BLANCO-RAMIREZ's rights and was willing to talk with SA LOWTHORPE. BLANCO-RAMIREZ signed the Waiver of Rights form. BLANCO-RAMIREZ stated essentially the following:

On Sunday, May 14, 2017, at an unknown time, BLANCO-RAMIREZ and JEAN CARLOS JIMENEZ-JOSEPH were on the recreational yard. JIMENEZ-JOSEPH was in the very last cell. BLANCO-RAMIREZ had been advised by other inmates that JIMENEZ-JOSEPH had mental problems and previously jumped off of a 2nd story ledge.

On Monday, May 15, 2017, at approximately 1:00 a.m., BLANCO-RAMIREZ noticed

03-0300-01-17

JIMENEZ-JOSEPH's cell light was turned off. An unknown Detention Officer checked on JIMENEZ-JOSEPH then returned to a seat at the main table. BLANCO-RAMIREZ heard loud a bang noise on a cell door. The Detention Officer walked directly to JIMENEZ-JOSEPH's cell and opened the cell door. The medical staff arrived and appeared to perform CPR on JIMENEZ-JOSEPH. When JIMENEZ-JOSEPH was transported from the cell out of Unit 7A, JIMENEZ-JOSEPH did not have a shirt on. BLANCO-RAMIREZ could not initially see inside JIMENEZ-JOSEPH's cell because the light was off. BLANCO-RAMIREZ believed that medical staff did all that medical staff could do to help JIMENEZ-JOSEPH.

That incident was causing BLANCO-RAMIREZ to become extremely stressed. Medical Staff was not doing all that medical staff could do to help BLANCO-RAMIREZ. BLANCO-RAMIREZ was not happy with BLANCO-RAMIREZ's treatment from medical staff.

At the time of the incident regarding this investigation, BLANCO-RAMIREZ was housed in Segregation Unit 7A, Cell 119.
